

Revelation Chapter 10
Homework

Read through Revelation chapter 10, take notes on anything that speaks to you or you have questions on. You can then answer the questions below and we will cover these chapters at our next study. Make sure to bring your completed homework with you for our small group time.

We find the first mention of a strong angel in Revelation 5:2. In verse 7 of this chapter we find another angel. Who does this angel look like?

As you read through this chapter, is there anything that tells you that this angel cannot be a type of Christ?

In Revelation 10:6 who does the angel “swore” by? There are accounts of the Angel of the Lord in the Old Testament being a pre-incarnate of the Lord Himself (Judges 13:3, Exodus 3:2, Acts 7:30-34). Can this strong angel be Jesus?

John is told in verses 2-7 **not** to write what the seven seals of thunder had uttered. That means that we don't get to know everything while we're here on earth. What things do you not understand about the Bible and/or life?

When John eats the little book first seen in Revelation 10:2 what happens? What does it taste like initially? What does it do later in John's stomach?

The Bible makes references to the Word being food. Read Job 23:12, Psalm 119:103, and I Peter 2:2. What does each reference say about God's Word?

Can you remember a time when you heard God's Word and then later felt conflicted by it? What happened?

Remember, your daily Bible intake and obedience to it has a major impact on the quality of your spiritual life. Stay in the Word of God daily and find ways you can encourage other Christians in their daily lives. What is one way you can encourage others today?
