

“Be Built Up” A Study through 1 Corinthians for Kids!

Lesson 9	Scripture to Read: 1 Corinthians 10:12-17
Questions to discuss with Kids	<ol style="list-style-type: none"> 1. What is temptation? What are some things that tempt you? 2. How can we escape temptation? Who helps us when we’re tempted? See 1 Cor. 10:13 3. What is idolatry? Do you think there is idolatry in our world today?
Craft Idea Items Needed: *Construction paper, markers	Running Feet!- Give each kid a piece of construction paper. Assist the kids in drawing a life size shoe on their paper. Help the kids measure it to their own feet. Kids will color and design their shoe and then write on the bottom of the paper, “...flee from idolatry.” 1 Corinthians 10:14b
Game Idea Items Needed: *Craft sticks (or a deck of cards) *Tape	Don’t Fall!- Kids will work together to build a structure using craft sticks (or you can use a deck of cards). They will try to have the sticks lean against each other without tape. When the structure is built, kids will blow on it to see if it falls. Have kids re-build the structure but this time give them tape to hold it together. Have kids blow again on their structure to see if it falls. Share with the kids that the tape is like the Word of God, it keeps us from falling!

Got extra time? Here’s an idea—Play “Temptation Scenarios!” Kids will act out different scenarios that might tempt them, and they will practice saying “No!” to that temptation. **Scenario ideas:** Being tempted to cheat on a test, tempted to make fun of a friend, tempted to watch a bad movie, tempted to steal candy and tempted to lie to Teacher etc.
