*Toilet Paper roll, beans, wax paper, 2 rubber bands, markers, stickers *Cotton balls and cups	<p>Upstream Fun Activities-</p> <ul style="list-style-type: none"> • Sing a New Song! Craft and Activity- Make a homemade instrument and then write a new song to Jesus. If you’d like, sing the song to your family! To make a musical shaker, first get a toilet paper roll. Cut two squares of wax paper about 5 inches in length. Place one square on one end of the roll and slide a rubber band over to seal it. Now fill the inside of the roll with either beans, rice, dried peas etc. Seal the other end with the other wax square and rubber band. Use markers and stickers to decorate the shaker! Have fun with your new instrument! • Flying Angel Toss! Game- There was an angel flying above earth giving an eternal gospel. We’re going to play a flying game while shouting out loud, “Jesus saves!” Find something soft like a cotton ball. Set out 5 cups around the room in different locations. Each person will take turns flying (throwing) their “angel” (cotton ball) from cup to cup while shouting out, “Jesus Saves!” After the game is played the first time, add variations for the next time; for example, have each person try throwing the cotton ball with one eye closed or standing on one foot or spin in a circle 5 times and then throw!
