

“Be Built Up” A Study through 2 Corinthians for Kids!

Lesson 13	Scripture to Read: 2 Corinthians 13
Questions to discuss with Kids	<ol style="list-style-type: none"> 1. What are some of the final instructions Paul gives to the church? Read 2 Corinthians 13:11 2. What does “Trinity” mean? Do you see the Trinity in verse 14? Show the kids an egg, crack open the egg. Look at the three different parts of the egg (shell, yolk and egg white), notice how there are three parts but it’s all still one egg. There is one God but three parts: God the Father, The Son and The Holy Spirit. 3. Share the descriptions listed of each part of the Trinity as found in verse 14; for example, our Lord Jesus Christ gives grace.
Craft Idea Items Needed: *Construction paper, scissors, glue sticks, markers	The Trinity, Craft- Give each kid two pieces of construction paper. Kids will trace and cut out a big triangle from one paper and then glue it onto the other paper. Next, have the kids label each corner of the triangle: Jesus, God the Father, Holy Spirit. Under each Persons of the Trinity the kids will also write down the description of each of them. Under “Jesus” the kids will write down “Grace” under “God the Father” the kids will write down “Love” and under “Holy Spirit” the kids will write down “Fellowship.” Kids can glue smaller sized paper triangles in the center of the big triangle and then write at the bottom of their craft, “The grace of the Lord Jesus Christ...be with you all.” 2 Cor. 13:14
Game Idea Items Needed: *Christian music, streamers	Rejoice! Freeze Dance- Paul finished his letter with these words, “Finally, brothers, rejoice...” 2 Cor. 13:11a. Now the kids can rejoice with a game of Freeze Dance! Play some Christian music. Kids can dance to the music. When the music stops, the kids freeze! For extra rejoicing fun, give the kids some streamers to throw in the air to celebrate!

Got extra time? Here’s an idea—“Comfort one another” Encouragement Cards- Paul instructed the Corinthians to comfort one another. Give an opportunity to the kids to make a card of encouragement to give to someone they know. Give each kid card making materials like colored paper, markers and stickers. Help the kids come up with ideas on what to write on the inside of the card like, “Jesus loves you and so do I” etc.
