

“Be Built Up”

A Study through 2 Corinthians for Kids!

Lesson 2	Scripture to Read: 2 Corinthians 2:1-11
Questions to discuss with Kids	<ol style="list-style-type: none"> 1. How much love does Paul have for the people of Corinth? See verse 4. 2. What does Paul tell the believers to do to someone one who has sinned in the church but turned from their sin? Look at verse 7. 3. Why does Paul want us to forgive others? Check out the last part of verse 7.
Craft Idea Items Needed: *Construction paper *Stickers	“Forgiveness Heart” Craft- Forgiveness can be difficult, but God can help us to forgive and love that person that has hurt us. Give the kids a chance to make a big heart cut out of construction paper. On the heart, the kids can write down someone that they would like to forgive. Ask the kids to write down on the heart some ways they can show love to that person (some examples might be: pray for them, forgive them, share Jesus with them) and then give the kids an opportunity to pray and ask God to help them forgive that person. Afterwards, the kids can decorate their hearts with stickers.
Game Idea Items Needed:	“Copy Paul” Game- Paul wanted us to copy him as a way to know how to live as a Believer in Jesus. Just like Paul forgave others, he wants us to forgive others. The kids will have an opportunity to copy Paul in this fun mimicking game. Have the kids sit in a circle. Select one kid to wait in another room. Select one kid in the circle to be “Paul.” The goal of the game is for the kid in the other room to guess who “Paul” is by watching the other kids copy him/her. When ready to play, have “Paul” start a movement for example; clapping his hands, clapping his legs, wiggling his ears etc. The other kids in the circle will copy “Paul.” Have the kid in the other room come to the circle and try to guess who “Paul” is!

Got extra time? Here’s an idea— “Many tears” Game (Best played outside if possible). Line up the kids. Give each of them one empty cup. Now, fill the first kid in line’s cup with water. They will close their eyes and try to fill the next kid’s cup with water and so on until the water gets to the end of the line. Play the game again! But this time make it go faster!
