

“Be Built Up” A Study through 2 Corinthians for Kids!

Lesson 3	Scripture to Read: 2 Corinthians 3:12-18
Questions to discuss with Kids	<ol style="list-style-type: none"> 1. Moses spent time with God which made his face shine. Moses had to wear a veil to cover his face when he was with people because his face shined so brightly! See Exodus 34:29-35 for more of a background about the veil. 2. Who takes away the veil for us now? Check out 2 Corinthians 3:14. 3. Who do we want to reflect? Look at verse 18. 4. What are some ways we can reflect Jesus?
Craft Idea Items Needed: *Construction paper, aluminum foil, craft sticks, glue, markers	“Reflect Jesus” Craft! - Kids will make a mirror out of construction paper and aluminum foil. Give each kid a piece of construction paper and a piece of aluminum foil. Help the kids create a mirror on their paper by first gluing the foil to the paper and then outlining it by gluing the craft sticks around the foil. Next, help the kids to cut some craft sticks short and glue on one long and one short craft stick together to create a cross. Glue this in the middle of the mirror. Use a marker to write at the bottom of the mirror: “being transformed into the same image...” 2 Cor. 3:18b Share with the kids that the more we read the Bible the more we reflect Jesus!
Game Idea Items Needed: *Bandana	“Moses Says!” Game- Select one kid to be “Moses.” “Moses” will wear a bandana over his/her head (this is the veil). “Moses” will give an instruction to the kids and they must follow that instruction, when “Moses” lifts up the veil and he sees someone not following the instruction, they are out of the game! Some example instructions could be: hop on one foot, pat your head, do push-ups and run in place etc.

Got extra time? Here’s an idea— “Pass the Mirror!” Sit the kids in a circle. Give a kid a mirror. That kid will make a funny face while looking into the mirror and then passes the mirror to the kid next to them. The next kid will try to copy the same funny face and then add a new funny face and then pass the mirror to the next kid. This next kid needs to copy the first funny face and then the second and then create one of their own! Continue until the last person has copied all of the funny faces!!!
