Craft Idea Items Needed: *Paper, markers	Eternal Weight of Glory, “Heaven” Craft- Have the kids take a few minutes to close their eyes and envision what Heaven may look like. Now ask the kids to draw a picture of what Heaven may look like. The Bible gives us hints into what Heaven looks like, it will be the most wonderful place ever!
Game Idea Items Needed: *Construction paper heart	Don’t Loose Heart!- Cut out a paper heart from construction paper. Share with the kids to not loose heart during tough times in life. Have the kids close their eyes while you hide the heart in the room. Now have the kids find the heart...not loose heart! To make the game more challenging, make it a race to find the heart. Have each person take a turn finding the heart and then see who can find it in the fastest time!

***Got extra time? Here’s an idea— Thankful Circle-** Have everyone get into a circle. Each person will say something they are thankful to God for. Next, everyone can say something they are thankful for of the person sitting next to them. “For all things are for your sakes, that grace, having spread through the many, may cause thanksgiving to abound to the glory of God.”*
